BUCKNER ETHIOPIA

Addis Ababa

Foster Care

Program Description:	Temporary residential services designed to care for children in the home of an unrelated family. Some children may require special services to meet their emotional, behavioral, or physical needs.

Kinship Care

Program Description:	Foster care services designed for children in the home of a related family member.

Baby Home

Program Description:	A children's home campus or group home where basic residential care is provided in a nurturing environment designed to serve children and youth with a minimum of emotional, behavioral, and physical needs.

Vocational/Empowerment Program

Program Description:	Services providing job skills and technology training, educational support, and faith-based character development training with the specific intention of equipping clients with a marketable skill to achieve self-sufficiency.

Microfinance

Program Description:	Aligning with microfinance institutions to provide loans and other financial products to individuals to help them improve their standard of living.

Community Transformation Center

Program Description:	Offers clients an integrated and holistic approach to the coordination and provision of supportive social services available in their community. Appropriate services are designed to meet specific needs identified through an individualized service plan, which is monitored regularly for progress.

Health Programs

Program Description:	Offering comprehensive community health education programs; along with medical and dental services in health clinics around the globe. We also coordinate referrals for advanced health-related issues.

Client Assistance

Program Description:	Provision of food, medicine, clothing, construction, and other aid directly to individual children and families, in order to meet basic human needs.
