Profile of Library Faculty
Fall 2007 and Fall 2008

This report contains descriptive information about library faculty for Fall 2007 and Fall 2008. In this report, library faculty are identified as those university employees who are employed full-time, classified as faculty or academic professional, and report to the Dean of Libraries. When comparing information for each year, the reader should note the small number of total library faculty. Due to this small number, a small increase or decrease in categories can result in a large percentage increase or decrease.

The following table contains comparisons from Fall 2007 to Fall 2008 for the specified categories:
