Come experience this unique teaching method in which the entire music class is in the dark using black lights to provide a glowing worship experience which your children will love.

Matthew 5:14-16
“You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.
