All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

## Notes about major requirements:
- The curriculum for Option II contains courses from all areas of family and consumer sciences and thus prepares students for careers requiring a broad, general background in family and consumer sciences.
- It is preferred that students complete CHE 1405 before taking FSC 2351 and 2310.
- Students can take FCS 3313 or 4313 to count as an upper-level FCS elective and as a Fine Art.
- Advanced Electives: These electives must be upper level classes that help meet the 36 hour advanced credit university requirement. These hours may be any 3000 or 4000 level class or they can be additional advanced FCS classes.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

Please see reverse side for important information on general requirements.
Notes about General Requirements:

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
