All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

### Notes about major requirements:
- The FDM 1303 is not required. It would fulfill multiple requirements (Fine Arts and one FDM course), but the student could fulfill those requirements from a different Fine Arts course and an upper-level FDM course, for example.
- CSS elective options: 1304, 1305, 3304, 3305, 3306, 3307, 3311, 3312, 3316, 4301, 4302, 4304, 4306, 4311, 4312, 4352, 4380, or 4V85.
- FDM electives: 6 hours of any level FDM courses is required.
- Additional CSS or FDM electives: choose 6 additional hours from CSS 1304, 1305, 3304, 3305, 3306, 3307, 3311, 3312, 3316, 4301, 4302, 4304, 4306, 4310, 4311, 4312, 4352, 4380, 4V85, or any level FDM course.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.
Notes about General Requirements:
• Course selection is subject to availability within each semester.
• Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
• In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
• To complete a double major, you may not count any courses toward both majors.
• For more specific information on general requirements, see the undergraduate catalog.
• Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
