Joey Scrivano
Baylor Women’s Tennis Head Coach

Dear Friends,

You’ve heard the saying, “It takes a village to raise a child.” That theme is also true for building a championship team. It takes incredible support. Thanks to dedicated fans like you, Baylor Women’s Tennis has enjoyed a long tradition of success.

As a member of the Trophy Club, you receive exclusive access and apparel from Baylor Tennis. Our program often relies on support from Trophy Club giving to cover essential costs for recruiting, player development and student-athlete enhancement – the important details that help a championship program stay ahead of the competition. This fund also assists with community outreach efforts, like our Cub Tennis program that offers free tennis lessons to local children.

Your support at any level helps us compete among the top programs in the nation. On behalf of our coaching staff and current and future student-athletes, thank you for being a part of our team! Sic’em!
