Move2BU marks the beginning of your Baylor journey, and your new Baylor family wants to make sure you feel welcome and at home as soon as you arrive. Students, faculty, staff and volunteers from the Baylor community will greet you at your assigned drop-off location and ensure that all of your belongings are unloaded and delivered to your room while you go through the check-in process. Students and staff will be available throughout the day to answer any questions you may have and make sure you are settled into your new home.

Move-in is an exciting beginning to your first year at Baylor. We love welcoming new members into the Baylor family. Your new home is one where you will find a caring community, new friends, and countless opportunities to author the life you've been called to live.

ROOMMATES

One of the most important relationships you’ll develop at Baylor is the one with your roommate(s). Whether you grew up together or you’ve never met, communication is the key to a positive roommate relationship. Here are a few good things to talk about before moving in together:

Where are you from?
Where have you lived?
Why did you choose Baylor?
What are you planning to study?
What are you most excited about at Baylor?
What are some of your interests or hobbies?
What do you like to do for fun?
What do you like to read, watch on TV or listen to?
What are you looking for in a roommate?
How should we set up or decorate our space?
Do we want to have a TV or game console in our room?
Should we rent a MicroFridge and/or purchase a carpet?

Label all items. You won’t be doing the heavy lifting so marking it with your name, hall and room number helps the Move2BU Volunteers.
COMMUNITY THAT ENABLES YOU TO AUTHOR THE LIFE YOU’VE BEEN CALLED TO LIVE.

**VENDORS**

**MICROFRIDGE® WITH SAFEPLUG® BY COLLEGIATE CONCEPTS, INC.**

MicroFridge is the only combination food storage and cooking unit that meets the regulation for residence halls and the only microwave unit allowed for use in non-apartment residence halls. True Zero-degree Freezer provides long-term frozen food storage, and Safe Plug circuitry limits electrical draw to only 10 amps, reducing the risk of circuit overloads. All units use only one wall outlet to operate three appliances. Quantities are limited, and the deadline to include delivery to your room before student move-in is August 1st, so rent or purchase your MicroFridge today at collegefridge.com/baylor.

**TIDE UNIVERSITY LAUNDRY**

The Baylor experience is full of once-in-a-lifetime opportunities; make every moment count. By enrolling in Tide University Laundry wash 'n' fold service, you save 80 hours over the academic year. Bundled laundry plans (wash 'n' fold) are offered as a more college-conscious solution than do-it-yourself laundry – and new this year, with the cleaning power and expertise of Tide, America's #1 brand for more than 65 years. We recommend you register for service and invest the time you save in something great. Get started at UniversityLaundry.com/baylor or by phone at 888-590-WASH.

**BED LOFTS & ROOM CARPETS BY COLLEGIATE BED LOFT COMPANY**

A bed loft will provide you more floor space by making room for a futon, hammock, desk or additional storage space under your bed. Bed lofts, which include one side rail, are installed before you arrive and removed after move out next spring. Lease a bed loft for the school year for $289 if you place your order before July 23rd and pay the Early Bird Special pricing. Orders after July 23rd are $319. Supplies are limited in order early.

Collegiate Bed Loft Company also offers room carpets in a variety of sizes and colors. Carpets are installed before move-in. Carpets are bound on all four sides and sizes range from 5'x8' to 12'x12'. Plush and frieze style carpets are available in beige and gray. Buy a carpet at discounted student prices starting at $99 installed. Prices go up after July 23rd. Order your bed loft and/or carpet at cblorder.com or call (512) 577-9928.

**CARE PACKAGES & LINENS BY OUR CAMPUS MARKET**

Since 1981, Our Campus Market has been outfitting residence hall rooms with students’ living essentials: sheets, towels, storage solutions, bath essentials, room decor and more. Sheets are sized to fit the unique extra-long twin mattresses in many residence halls, and our “Guarantee ‘til Graduation” means we will replace any item from move-in to commencement. Learn more at ocm.com/baylor.

Our Campus Market helps to connect students and families with unique care packages. Choose the right package for your student and add a personal note for love and support. We have classic treats, organic snacks, fresh-baked goods, and even gluten-free selections. Give your student a boost before exams, or on their birthday or just to send your love. Learn more at ocm.com/bay/carepackages.

**SHIP-TO-SCHOOL AND SUMMER STORAGE BY THE UPS STORE**

Don’t want to mess with loading and unloading your car on Move-In Day? Our Ship-to-School program allows students moving to Waco to ship their items to us ahead of time. We store those items in climate-controlled storage and have them waiting in the campus residences when the student moves in.

When move-out time arrives, the inevitable question asked is, “What do I do with all my stuff?” Whether you’re a week away or the entire summer, students are faced with the challenge of renting a storage unit or hauling their stuff home. This often involves renting or borrowing a truck, or paying for more storage space than needed. The UPS Store has a solution with Summer Storage! We pick up students’ items, store them in our climate-controlled warehouse, and deliver them to the new residence. We also provide free boxes! For students returning to campus, their items will be waiting for them in their room when they arrive. We are located across the street from campus on 8th street. Check out details at UpsStorage.com or call 254-732-4180.
