THIS WEEK IN STUDENT GOVERNMENT

Issue of the Week: Campus Residency
Tell Student Government how you feel about your residential experience, whether you live on or off campus. Please take a brief moment to help us gather your opinion in order to better represent your needs. To complete the survey, visit http://baylor.qualtrics.com/SE?SID=SV_agDazCULNSKji8Q&SVID=Prod.

Healthy Monday Tip
Plan your work and sleep schedules. Too many students defer doing important class work until night time, work through much of the night, and start every day feeling exhausted. Constant fatigue can be a critical factor of depression. Seven or eight hours of sleep a night are important to your well being. For additional information, visit www.baylor.edu/wellness.
