*All students must graduate with a minimum of 124 hours,  
36 of which must be at the 3000/4000 level.*

### Notes about major requirements:

- Students in the fashion merchandising program have opportunities to develop knowledge of retail functions, merchandising principles, forecasting trends, and textile selection and evaluation. Majors are required to complete an approved internship after completion of all junior level fashion merchandising courses.
- Advanced Business Electives - the 9 hours of 3000-4000 level business electives must come from marketing, management information systems, management, entrepreneurship, or financial services and planning OR you may take ACC 2304 and 6 hours of 3000-4000 level courses from those same areas. Reminder: If you plan to take ACC 2304, then you must take ACC 2303 as it is a prerequisite to 2304.
- Because of the number of business courses, students may want to consider pursuing a business minor.
- FCS Elective: FCS 3313 and 4313 can serve as a Fine Art and an FCS elective.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

**Please see reverse side for important information on general requirements.**

**Notes about General Requirements:**

- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
