

Physics Scholarships
Department of Physics
Baylor University, Waco, Texas 76798

Each year limited funds are available for physics scholarships for undergraduate majors. A physics scholarship committee will make recommendations for disbursement of these funds. Please fill out the following form if you are interested in being considered for the funds. *You must be a physics major to apply.* **Also, if you are already a Baylor faculty/staff dependent* scholarship holder, do not apply. Your current faculty/staff scholarship will not be supplemented.**
