The Wells Project 10 Days Campaign October 25 to November 3
The Wells Project is a new organization with a mission to raise awareness and funds for the 884 million people without clean water around the world. Baylor students, faculty, and staff are encouraged to replace their normal beverages with water for 10 days and then donate what they would have spent to The Wells Project. Every dollar raised will go directly to drill freshwater wells around the world. You may donate online at www.10days.cc or visit their table on Monday, October 25, Thursday, October 28, and Thursday, November 4, at Fountain Mall. Members will be available to collect monetary donations and provide information on the water crisis. For additional information, contact Dustin_Williams2@baylor.edu.

**Student Health 101**
Student Health 101 is an online health resource for students accessible 24 hours a day, 7 days a week. In this issue: Become your own master chef, build skills to make tough conversations easier, how to catch up when you’re falling behind, and what you should know about depression. Check it out today at http://readsh101.com/baylor.html. For additional information, contact Lori_Genous@baylor.edu.

**Healthy Monday Tip**
Treat your teeth. Sugar from Halloween candy can be your mouth’s worst nightmare. Maintain proper oral hygiene by brushing your teeth at least twice every day. Gently brush along the gum line and tongue. Also, don’t forget about the Monday Mile at 12:15 p.m. We will meet on the Bear Trail near the McLane Student Life Center. For additional information, visit www.baylor.edu/wellness.
