Baylor Buddies Mentor Program

Baylor Buddies is a mentor program for elementary and middle school students. Baylor students visit their buddy for at least an hour a week, whether it is at lunch, during recess, or during their elective period; the time is flexible - you find a time that works for both of your schedules. Once a month we offer group activities for example, bowling, putt-putt golf, and going to a Baylor Basketball game. The students Baylor Buddies are paired with are all considered "at-risk" of dropping out of school for a variety of reasons, whether they are failing one or more classes, have poor social skills, are below poverty line, or living in a single parent household. For additional information or if you are interested, contact Erin_Steptoe@baylor.edu or Jane_Kim1@baylor.edu.

Healthy Monday Tip

Fitness doesn't have to be hard work! Start with small changes in your routine and build from there. Walk a Monday Mile after dinner, do crunches during commercials, or dance while cooking. Even a little extra movement can improve health and reduce stress. For additional information, visit www.baylor.edu/wellness.
