Notes:

- ECO 3308 and 3355 do not count toward the Economics major
- Economics courses cannot be used to meet the basic social science requirement for the B.S. degree
- Students may waive the ECO 2306 and 2307 by satisfying one of the following:
 1. SAT math score of 650 or higher or its equivalent
 2. A grade of A in MTH 1321 at Baylor
 3. Permission of the department chair

If ECO 2306 and/or 2307 are skipped, then additional courses in economics must be taken in lieu of the bypassed courses.

- MTH 1322 may be required for graduate school
- Minor: Optional, may elect one or more minors. No more than three hours of the major may be applied to the minor.
- Electives: Number of electives and advanced electives will vary depending on major, minor, degree, etc.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 during their junior year instead of ENG 1304.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.
