All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.

Notes about major requirements:

− Students should consider supporting courses in fine arts, art, and business in combination with family and consumer sciences curriculum to allow fashion design majors to develop knowledge and skills in design, trend tracking, apparel production operations, and textile performance. Students use a state-of-the-art computer design laboratory to design and make production patterns. In the design studio, students learn production techniques used in the apparel industry. Graduates will be qualified to move into computer-aided design and pattern design jobs. Majors are required to complete an approved internship.

− A grade of "C" or better in all family and consumer sciences courses used for the major and a "C" average in courses taken outside the department.

− Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.

− For more information, see undergraduate catalog.

Please see reverse side for important information on general requirements.

Notes about General Requirements:

• Course selection is subject to availability within each semester.

• Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).

• In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.

• To complete a double major, you may not count any courses toward both majors.

• For more specific information on general requirements, see the undergraduate catalog.

• Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.

Foreign Language:

− **Option A:** One modern language through 2320 level:

        Arabic, Chinese, French, German, Italian, Japanese, Korean, Portuguese, Russian, Spanish, and Swahili

− **Option B:** One classical language through 2320 level or two classical through 1302 level:

        Latin, Greek, Hebrew (If available, Akkadian, Aramaic, Syriac, and/or Ugaritic may be used)

Math:

− MTH 1301 (Ideas in Math) or MTH 1304* (Pre-cal) or MTH 1321 (Calculus) or STA 1380. *Math 1304 is intended only for students who intend to take 1321.
