

The Newsletter of Baylor Round Table

Greetings from the President:

I have loved the women and organization of Baylor Round Table since the first day I attended a meeting over 15 years ago – new to campus and uncertain of the expectations of this or any other group.

No need to worry! Welcomed and included were the feelings that washed over me when my husband, a new faculty in the School of Business, and I first attended the Thanksgiving Banquet honoring Baylor's international students. We were amazed that we were actually sitting next to students from China who had been in Waco, TX for less than 2 months! How could we feel like newcomers when these young and eager students had come so far to seek the outstanding education that Baylor offered? Other Round Table members scattered around the table made all of us feel welcome.

It has been my honor to serve as president this past year, and I strongly encourage you to not only join Baylor Round Table for the 2011-12 year, but to become involved! You will get acquainted with the heart of the organization and the reasons for its existence. Those reasons are to promote social interaction and community service within the women of the Baylor Family. Also, to provide scholarship assistance to one or more students each year through the Baylor Round Table Scholarship Fund which continues to grow.

Thank you for your support and love for Baylor University. It does make a difference!

Gratefully,

Marilyn Eichelberger
President, 2010-11

Scholarship Luncheon and Style Show Tuesday, May 10

Those of you who have made reservations for the annual scholarship luncheon are in for a real treat with fashions from Talbot's of Waco and

Chili Pepper of Lorena. Our scholarship recipient for next year will be present and a special scholarship presentation is sure to please.

Also, please note that there will be envelopes on each table for your consideration in making a contribution to the Baylor Round Table Scholarship Fund. A gift that truly keeps on giving!

Cookbook Project

We Need Your Recipes!! If every member would submit 2-3 recipes we would have the required 300 to send the book to press. We would like to offer the books at the Membership Tea in the fall so please take a moment and submit your favorites to RT_Cookbook@baylor.edu.

Thanks to Carolyn Keathley and Jane Gunn who are coordinating this fun and tasty project.
