Nominate Your Favorite Professor for an Honorary Award

Each year, Phi Kappa Chi holds their Light Your World Banquet in an effort to meet with professors outside the classroom and honor them for the impacts and differences they have made in our lives. Now you have the opportunity to nominate the professor of your choice to receive the Richard Couey of Excellence Award. The award is traditionally given to the professor members find most impactful, but now it's up to you to nominate. To nominate a professor, visit www.surveymonkey.com/s/SPN3YP3, and enter your professor's name and a short explanation of why they deserve the award. The winning professor will be hosted at the event and presented with the award as an honorable guest.
