

On the Baylor Horizon.....a publication of the Division of Student Life

Summer@Baylor2012

Summer is a great time at Baylor to retake courses, take prerequisites, or get requirements for additional majors or minors to stay on track. You can browse courses and view tuition fees at www.baylor.edu/summer. And it's not as costly as you think. In fact, the rate per hour is 25 percent less than the regular hourly tuition rate in the fall or spring when taking 3, 6, or 9 hours. Undergrad students may be eligible to use a semester of their Baylor academic scholarship toward summer costs. Attend Dr Pepper Hour on *Tuesday, April 3*, to talk to an advisor, meet faculty, and visit with Campus Living and Learning. Get ahead. Stay ahead. For additional information, visit www.baylor.edu/sfs/summer2012.
