Notes about major requirements:

- Important Note: A student who earns a D or F in a PSY or NSC course may repeat the course. However, a student earning a second D or F in the same, or in a subsequent PSY or NSC course, will not be eligible to continue in the Psychology or Neuroscience major. The student may, however, be eligible to continue studies in another major in the University. Students who believe they have individual circumstances warranting an exception to these grade minimums and failure policies may appeal to the department chair.
- Choose 3 courses from Group A: PSY 3314, 3318, 3350, 4395, 3310 or 3425, and no more than two of 3308, 3330, and 4327.
- Choose one course and its lab from Group B: PSY/NSC 3311-3111, 3319-3119, 3320-3120, 3323-3123, 4330-4130.

- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students
  majoring in the sciences may take ENG 3300 instead of ENG 1304.
- A grade of "C" or better is required in all psychology and/or neuroscience courses used for the major. A grade of "C" or better is also required for all of the non-psychology/non-neuroscience classes included as part of the major requirements. See the audit or undergraduate catalog for a list of these courses.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
   For more information, see the undergraduate catalog.
