*All students must graduate with a minimum of 124 hours,
36 of which must be at the 3000/4000 level.*

Notes about major requirements:

- The sequence above begins with Latin, but students may opt to begin with Greek instead.
- Because most of our majors go on to graduate school, we have recommended certain courses that will prepare students for this likely eventuality. Some of these courses are only offered during one semester: CLA 3301-Roman Civilization (spring); CLA 3302-Greek Civilization (fall); HIS 4322-Ancient Greece (fall); HIS 4324-Ancient Rome (spring).
- For major, complete 6 hours from: ART 3352, 3353; LAT 3000-4000; CLA 3000-4000; PHI 3310; GKC 3000-4000; PSC 3352; HIS 4322, 4324.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.

Notes about General Requirements:

- Course selection is subject to availability within each semester.
- Please keep in mind that this is only a suggested sequence. Actual sequence will vary according to possible second major, minor, other program of study (including pre-health), and individual circumstances (ex., transfer credit, dual credit, and credit by exam).
- In order to complete your degree, you must fulfill all requirements in your major and general requirements for the Bachelor of Arts.
- To complete a double major, you may not count any courses toward both majors.
- For more specific information on general requirements, see the undergraduate catalog.
- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.
