Martin Museum of Art to Feature Makoto Fujimura and Bruce Herman Paintings
Thursday, November 29, to Saturday, December 15, and Wednesday, January 2, to Thursday, January 17, 2013. Fujimura and Herman, along with composer Christopher Theofanidis (Yale University) and theologian Dr. Jeremy Begbie (Duke University), have collaborated on this touring exhibition and concert, which responds to the generative poem Four Quartets by T. S. Eliot — a masterpiece that is still able to transcend its era and social location, generating fresh response and inspiring artists of this generation. A gallery talk and reception for both artists will be held on Tuesday, January 15, 2 p.m. at the Martin Museum of Art. The artists will also participate in a panel discussion of Faith & the Arts at 4 p.m. in the Alexander Reading Room. That evening, there will be a Baylor School of Music concert at 7:30 p.m. in Jones Hall of a newly commissioned piano quintet by composer Theofanidis. For additional information or for museum hours, visit www.baylor.edu/martinmuseum or call 254-710-1867.
