Heart of Texas MHMR Therapy Provider Graduate Assistantship Application

The Baylor University Applied Behavior Analysis program has partnered with Heart of Texas Region MHMR to offer graduate assistantships.

Graduate assistant behavior therapy providers will provide ABA services to Heart of Texas Region MHMR clients and families. Some job responsibilities may fulfill requirement of fieldwork as described by the Behavior Analysis Certification Board. Please see www.bacb.com for more information.

Graduate assistant behavior therapy provider responsibilities include:

- (1) conducting thorough assessments of contingencies maintaining challenging behavior;
- (2) implementing behavior analytic treatments to reduce challenging behavior;
- (3) conducting thorough assessments of areas in need of instruction;
- (4) planning and implementing interventions to increase communication, academic, adaptive, and other related skills;
- (5) providing caregiver, practitioner, and volunteer consultation and support;
- (6) planning and implementing data collection procedures;
- (7) constructing data reports and sharing with caregivers and other support staff;
- (8) providing caregivers and other support staff with research-based intervention information;
- (9) participating in ongoing research projects;
