Incoming Freshman

☐

Expected graduation date

If you received a scholarship for this year, you will receive an award for the next year as long as you continue to meet the minimum qualifications. ***But you must reapply each year.***

I applied for and received a School of Education scholarship via this same application process for the current 2014-15 academic year.

By clicking "NEXT >>" below, I affirm that the information I entered is complete and accurate to the best of my

knowledge. I understand my entries may be checked and other information collected and maintained by Baylor University may be referenced to confirm my qualification for a departmental scholarship award. I also understand that without a current FAFSA on file with the University, I cannot be considered for any need-based or combination merit/need-based awards.
