

**OPERATING & SAFETY PROCEDURES  
FOR  
BAYLOR UNIVERSITY LASERS**

**Emergency Procedure Supplement**

**In case of an emergency, call Baylor Police at 911,**  
or 710-2222, for assistance.

Emergency response personnel will be directed to you as  
necessary, and Environmental Health & Safety will be notified.

Shut down power to laser equipment, and the lab if necessary.

Notify the Principal Investigator and the Baylor University Laser  
Safety Officer.
