Buckner has been caring for vulnerable children and families in Honduras since 2006. A wide variety of services are offered to children and families.

The Buckner staff will be with you every step of the way, providing an understanding of their city and programs along with guidance to aid your team in best catering to the needs of the people of the community. You will experience the life-changing hope of Jesus Christ from a new perspective as you are immersed in a friendly, welcoming, affectionate community of people. Tegucigalpa and San Pedro Sula can accept up to ten people per location.

Your time in Honduras will show you the importance of humbling yourself daily to the Lord's plan as he creates for you a new adventure each day. As you fully invest your heart and time in the ministries at hand the Lord provides meaningful lessons and an abundance of blessings as you act as his hands and feet.

Specifically in Honduras you will enjoy this experience if you are interested in teaching, health and nutrition sciences, interacting with children and teens, agriculture and repair projects. You will spend your time working with community children and families.
