Trip Description- While in Mexico, you will work alongside the Buckner Family Hope Center staff in the following areas:

1. Aiding Teachers
2. Teaching Classes
3. Leading Recreation
4. Health and Nutrition Workshops

Buckner has been caring for vulnerable children and families in Mexico since 2007. A wide variety of services are offered to children and families. In Mexico City you will work in a children's home in the above focus areas while in Oaxaca it will be in a community center through the Family Hope Center model.

The Buckner staff will be with you every step of the way, providing an understanding of their city and programs along with guidance to aid your team in best catering to the needs of the people of the community. You will experience the life-changing hope of Jesus Christ from a new perspective as you are immersed in a friendly, welcoming, affectionate community of people.

Your time in Mexico will show you the importance of humbling yourself daily to the Lord's plan as he creates for you a new adventure each day. As you fully invest your heart and time in the ministries at hand the Lord provides meaningful lessons and an abundance of blessings as you act as his hands and feet.

Specifically in Mexico you will enjoy this experience if you are interested in teaching, recreation, health and nutrition sciences, interacting with children and teens. You will spend your time working with both orphans and community children.

Join Buckner International in their 134+ year movement of transforming lives through hands-on ministry by serving the most vulnerable through Project Go! this summer.
