Program Offering For-Credit Outdoor Leadership Course, May 15–June 6
This 21-day experience will involve exploring, hiking, backpacking, caving, and rock climbing in the Wichita Mountains, Guadalupe Mountains, caves in New Mexico, and the Gunnison National Forest in Colorado. This course offers up to six hours of credit (upper level elective or Lifetime Fitness for non-majors). It is designed to offer an exciting, challenging, and worthwhile forum for incorporating leadership theory to the practice of traveling, living, and recreating in the outdoors through involvements in a variety of outdoor pursuits. This course is suitable for the beginner, but participants need to recognize the responsibility for carrying themselves and personal/group gear over and through rough terrain in unpredictable outdoor environments. A good fitness level and positive attitude is necessary for success on this course as is a commitment to the academic requirements. There is a course fee in addition to tuition. For additional information, application, course syllabus, or trip itinerary, contact Kelli_McMahan@baylor.edu or call 254-710-3712.

**Monday Healthy Tip from Monday Campaigns**
Cut your meat consumption. How often do you eat red meat? Eating large amounts of red and processed meat (like bacon, deli meats, and hot dogs) has been linked to an increase in colon, rectal, and prostate cancer.
