Cuts may be inserted in the accompaniment. Works that utilize standard cuts in professional performance may be performed in this manner.

Students shall provide **two complete original piano scores** and three scores that may be photocopies for the judging panel. Cuts should be clearly marked in the scores.

Memorization will remain optional at the discretion of the individual divisions and shall not influence the decision of the judges.

The panel shall consist of five outside judges, each representing expertise in one of the categories of woodwinds, brass/percussion, strings, keyboard and one general judge. The deliberations of the judges shall remain confidential and their decision final.

From the finalists, **one overall winner** will be selected to play with the Baylor Orchestra or Wind Ensemble in the fall of 2018. If the winner graduates before the fall of 2018, the School of Music will cover the expenses to bring the winner to campus to perform during the fall semester of 2018.
