

BearWeb Student Registration Instructions

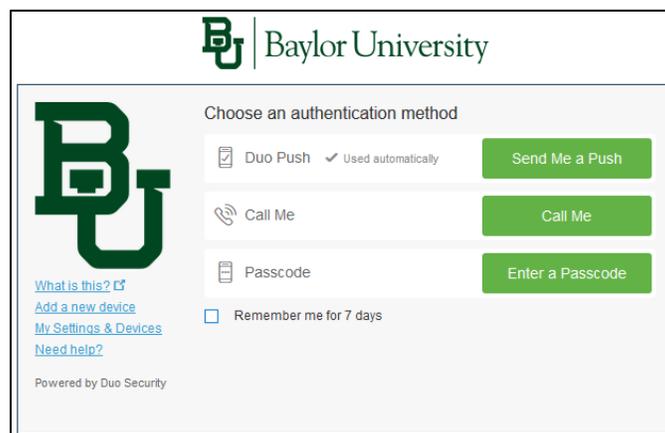

BearWeb is the self-service portal for students to register for classes and access other student information.

Logging in to BearWeb

1. Open a webpage and go to <https://bearweb.baylor.edu>
2. Log-in to BearWeb using the student's BearID and Password
 - a. BearWeb also requires two-factor authentication through Duo to log-in. For information about enrolling for Duo, please visit <http://www.baylor.edu/its/index.php?id=863033>

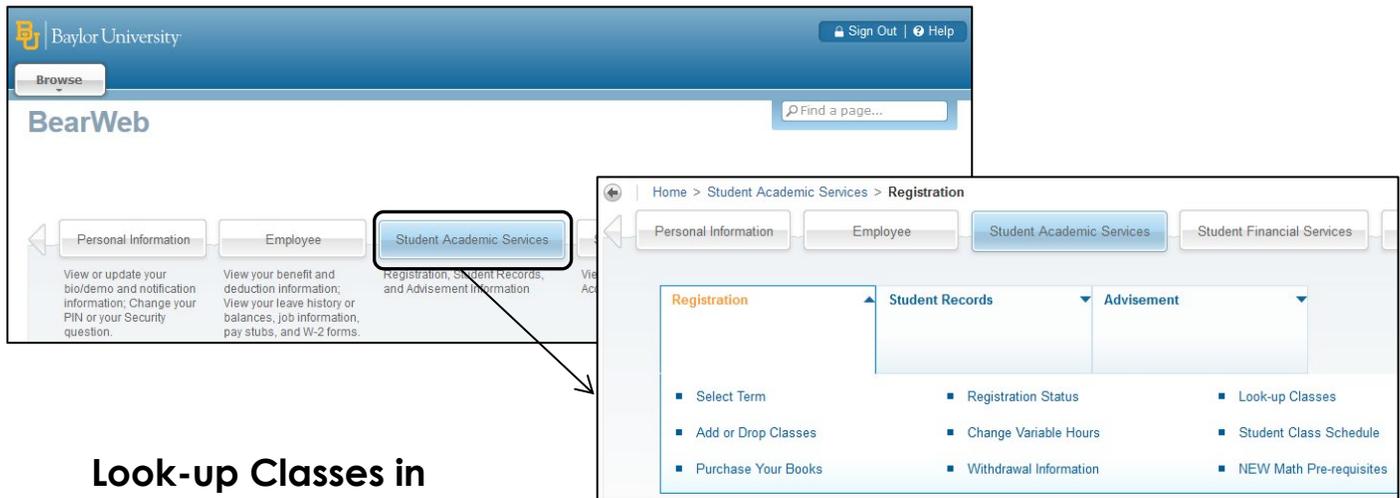

The screenshot shows the login page for BearWeb. At the top left is the Baylor University logo. Below it, the text "Baylor University" is displayed. The form contains the following elements: a "Bear ID" label above a text input field; a "Password" label above a text input field; a checkbox labeled "Do Not Remember Login"; a "protected by DUO" logo; and a "Log In" button at the bottom.

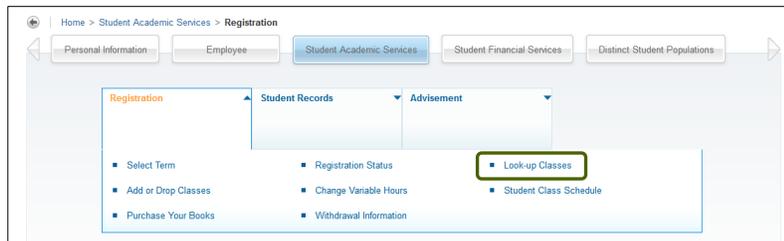

The screenshot shows the Duo authentication page. At the top left is the Baylor University logo. Below it, the text "Baylor University" is displayed. The page features a large "BU" logo on the left. The main content area is titled "Choose an authentication method" and lists three options: "Duo Push" (with a checkmark and "Used automatically") and "Send Me a Push" button; "Call Me" and "Call Me" button; and "Passcode" and "Enter a Passcode" button. There is also a checkbox for "Remember me for 7 days". On the left side, there are links for "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". At the bottom, it says "Powered by Duo Security".

- Once you are logged into BearWeb, Navigate to the Registration area by selecting Student Academic Services > Registration.

Look-up Classes in BearWeb

To identify the class sections that need to be added to your schedule, use the Look-up classes feature in Bear Web.

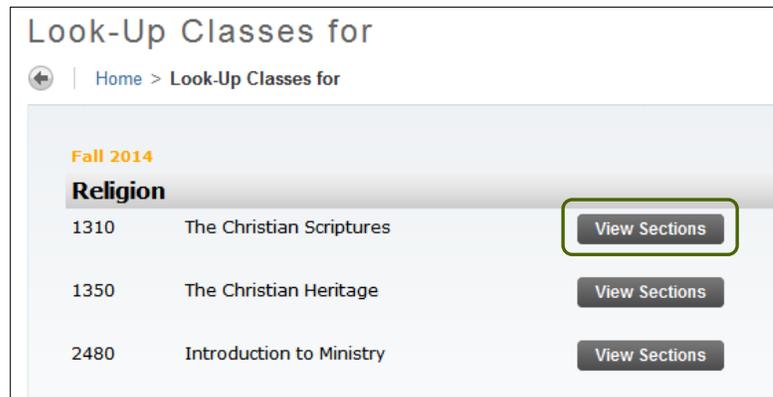

- Select "Look-up Classes" under the Registration Menu
- Select the Term to be searched and select "Submit"

The screenshot shows the 'Select Term or Date Range' form. The breadcrumb trail is 'Home > Student Academic Services > Registration > Look-up Classes'. The form has a 'Search by Term:' label and a dropdown menu currently set to 'None'. There are 'Submit' and 'Reset' buttons at the bottom.

- Select the appropriate Subject and select "Course Search"

The screenshot shows the 'Look Up Classes' form. The breadcrumb trail is 'Home > Look Up Classes'. The form has a text box with the instruction: 'Use the selection options to search the class schedule. You must select a subject when your selection is complete.' Below this is a 'Subject:' label and a dropdown menu. The dropdown menu is open, showing a list of subjects: 'Professional Development', 'Psychology', 'Quantitative Business Analysis', 'Recreation & Leisure Services', 'Religion', 'Russian', 'Slavic & East European Studies', 'Social Work', 'Sociology', and 'Spanish'. The 'Religion' option is highlighted. At the bottom, there are 'Course Search' and 'Advanced Search' buttons.

- This will return a list of all courses being offered in this Subject code. From this list select the course you are wanting to register for and select "View Sections"

- This will return a detailed list of all sections offered for this course. This list shows the days/times, instructor, location, and the available seats of the section offerings, as well as Waitlist information if the class is Waitlisted.
 - Class sections with available seats, or the option to Waitlist, will have a check box in the far left Select Column to allow you to add the section to their "Register" or "Add to Worksheet".
 - Class sections that are closed (i.e. there are no seats available, and no Waitlist option) will have a C in the Select Column.
 - Class sections that have a Waitlist (an automated process that allows a student to get on a queue for any seats that become available) will have the same check box on the Select Column, along with **WL**, and will have information in the WL Actual column. There are instances where sections have seats available, but all seats are reserved for the Waitlist. If you try to add a Waitlisted section, the only option will be to add yourself to the Waitlist. (See Waitlist Instructions beginning on page 6)
 - Sections that are already on your schedule will be blank in the Select column. (See section 4 on the list below)

Sections Found

Select	CRN	Subj	Crse	Sec	Cred	Title	Pre-Req/Co-Req	Catalog	Days	Time	Cap	Actual	Rem	WL Actual*	XL Rem	Instructor	Date (MM/DD)	Location	Attribute

- Once you have selected the sections you want to register for, select either "Register" or "Add to Worksheet" at the bottom of the section list.

- "Register" will automatically try to add the class to your schedule

- b. "Add to WorkSheet" will copy the section CRN to the "Add Classes Worksheet" on the "Add or Drop Classes" page and require an additional action of selecting "Submit Changes".

Once you have selected an option, BearWeb will navigate to the "Add or Drop Classes" page, where a list of all registered classes will appear.

Add or Drop Classes in BearWeb

Another way to add classes in BearWeb is to use the Add or Drop Classes page and enter the section's CRN into the "Add Classes Worksheet" at the bottom of the page. This option requires you to know the CRN for all sections you want to register for.

1. Select "Add or Drop Classes" under the Registration Menu
2. Select the Term to be searched and select "Submit"

3. To add sections, simply type in the CRN's for all sections to be added and select "Submit Changes".

- Once the section has been added, it will be displayed in the “Current Schedule” area of this page.

NOTE: It is possible to use a combination of the Add or Drop Classes Worksheet and the Look-up classes to create a schedule.

Dropping Sections that have been added

To drop a class that is on your schedule, navigate to the “Add or Drop Classes” page in BearWeb.

- Select “Add or Drop Classes” under the Registration Menu
- Select the appropriate Term and select “Submit”

- The sections the student is currently registered in will be listed under “Current Schedule”. Within that list there is an “Action” column that has a drop down box for each section.

Status	Action	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title
Web Registered on May 28, 2014	None None Web Drop	11500	REL	1310	01	Undergraduate	3.000	Standard	The Christian Scriptures

Total Credit Hours: 3.000
Billing Hours: 3.000
Minimum Hours: 0.000
Maximum Hours: 18.000
Date: May 28, 2014 12:38 pm

- To drop a class, select the “Web Drop” option for the action dropdown. Then select “Submit Changes” at the bottom of the page.

Logging off of BearWeb

Make sure you logout of BearWeb after your registration session. This ensures that your information is secure and the computer is ready for the next student.

1. Select "Sign Out" in the top right hand corner of any BearWeb page.

Waitlist

Student Registration Instructions

Waitlisting is currently available on a variety of courses throughout the university. Class sections with an available Waitlist are designated on the Online [Schedule of Classes](#) in the Students Waitlisted field (N/A means a Waitlist is NOT available). To use the Waitlist a student must meet all prerequisites and restrictions for the class section.

How to use the Waitlist – Basic Steps

1. Select the section with an active Waitlist that you would like to add to your schedule from the Look-up Classes page in BearWeb (Log-in > Student Academic Services > Registration > Look-up Classes)
OR
Navigate to the "Add or Drop Classes" page in BearWeb and add the CRN for the Waitlisted section into the worksheet. (Log-in > Student Academic Services > Registration > Add or Drop Classes)
2. Select "Submit Changes".
3. If a class section is closed and a Waitlist is available, you will receive a Registration Error, then have the option to add yourself to the Waitlist for the class section. Select "Waitlisted" from the Action dropdown and select "Submit changes".
4. You are now added to the Waitlist for the class section.

General Guidelines

Waitlisting...

- is on a **first-come, first-serve basis**
- is available through the **last day to register or add in BearWeb**
- **does not guarantee a seat** in the class section **or mean you are registered for the class**
- does not count toward enrolled hours for Financial Aid purposes
- holds a spot in a queue should a seat become available
- checks for **registration errors** (prerequisites, etc.) before adding the Waitlist
- sends an automatic **email notification** to your **BAYLOR email** account when seats become available
- **24 Hour** expiration after email notification
 - o Does **NOT automatically enroll** you into the class section

Waitlist Conflict checking	
You can Waitlist for class sections that...	You cannot Waitlist for class sections that...
- Have a Time Conflict with another Registered or Waitlisted class section	- Are a duplicate course with another Registered or Waitlisted class section

Detailed Waitlist Instructions

If a class section is closed and has the Waitlist option, you may add yourself to the first-come, first-serve Waitlist.

Waitlisting will be available through the last day to register or add in BearWeb, midnight on the 7th class day (for fall/spring semesters). After that day, all Waitlists are cleared and standard requirements and practices are in place.

1. The Waitlist and Registration process

Adding a Waitlisted section from Add or Drop Classes

1. **Log-in to BearWeb**
2. **Select Student Academic Services**
3. **Select Registration**
4. **Select Add or Drop Classes**
5. **Select the appropriate Term and click Submit**
6. **Enter the class section CRN into the CRNs field**
7. **Select Submit Changes**

Add or Drop Classes for

Home > Add or Drop Classes

Please make sure your [emergency contact information](#) and [home address](#) are up to date.

To add a class, enter the Course Reference Number in the Add Classes section. To drop a class, click the minus sign.

After courses are entered, click submit changes.

⚠ If you register for a variable credit hour course, please check the number of credit hours.

✖ If you receive the message "Enroll in lecture & lab", you have failed to register for the class.

\$ If you are just now registering for the Spring semester, you will receive an email about financial settlement. Remember to check your financial settlement status via the link at the bottom of the page.

Register
Add to WorkSheet
New Search

2. Selecting the Waitlist Option

When you attempt to register for a class section that has an active Waitlist (the class section is closed and a Waitlist is available), you can add yourself to the Waitlist if they meet all class section requirements.

The Action drop-down arrow will give two options:

1. **Waitlist** → Select Waitlisted to add yourself to the Waitlist
2. **None** → Select None if you do not want to be added to the Waitlist

Registration Add Errors

Status	Action	CRN	Subj	Crse	Sec
Closed - 0 Waitlisted	<div style="border: 1px solid #ccc; padding: 2px;"> None None Waitlisted </div>	11500	REL	1310	01

Submit Changes
Class Search
Reset

To Add the student to the Waitlist

1. Select the Action drop-down arrow
2. Select Waitlisted
3. Select Submit Changes

Once the Waitlisted option is submitted, the class section will be displayed as follows in the "Current Schedule" list:

Status	Action	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title
Waitlisted on May 23, 2014	None	11500	REL	1310	01	Undergraduate	0.000	Standard	The Christian Scriptures

Waitlist Error Messages (Status) – What do they mean?

- Closed - # Waitlisted
 - o The class section is closed and there are # students on the Waitlist. If there are other students on the Waitlist (the # is greater than 0) there are other

students that would have the opportunity to add the class section before the current student.

- Open – Reserved for Waitlist
 - o The class section has seats available (the Actual Enrollment is less than the Max Enrollment) but there is an active Waitlist, and the available seats are being offered to students currently on the Waitlist.

Reminder: Not all class sections will have the option of Waitlisting. The normal registration process remains the same for those class sections.

Registration Restrictions will prevent a student from adding themselves to the Waitlist. If a Registration Error Message (Pre-requisite, Departmental Approval, etc.) is displayed, follow the normal registration procedures.

3. Waitlist Notification

Once a seat becomes available in a class section with an active Waitlist, an automatic notification will be sent to the first student on the Waitlist.

The student has **24 Hours** to act on the notification.

****All Email notifications will be sent to your Baylor email account. ****

Once you receive an email notification, you will have the **option** to add the Waitlisted class section to your schedule. The email notification **DOES NOT** mean you are automatically registered into the class section. If you do not take any action to register or drop the course within 24 hours of receiving the notification, you will be removed from the Waitlist and the next student on the Waitlist will receive a notification.

Viewing Waitlist Position: Once you are on the Waitlist, you can view your Waitlist position on their Student Detail Schedule in BearWeb:

(Log-in > Student Academic Services > Registration > Student Class Schedule > Detail Schedule)

The Christian Scriptures - REL 1310 - 01

Class	8:00 am - 8:50 am	MWF	Tidwell Bible Building 107	August 25, 2014 - December 16, 2014

4. Adding or Dropping the Waitlisted Class Section

Once you receive the email notification via your **Baylor Email Account** that a seat is available, you will have the option to register into the class section.

If you receive a notification that a seat is available but you do not intend to add the class section, it is good practice to drop yourself from the Waitlisted class section. This allows the next student on the Waitlist to receive their notification more quickly.

To **ADD** or **DROP** the Waitlisted class section, you must log-in to BearWeb and navigate to the "Add or Drop Classes" page.

The Action drop-down arrow will give three options:

1. **None** → Select "None" if you do not want to make any changes
2. **Web Drop** → Select "Web Drop" to drop yourself from the Waitlist
3. ****Web Registered**** → Select "**Web Registered**" to add the class section to your schedule.

If you have reached their Maximum Credit Hours, or there is a conflict with another registered class section, you will not be allowed to register for the Waitlisted class section without first resolving the overload or conflict.

CRNs

Submit Changes Class Search Reset

Dropping the Waitlisted class section – If you decide you do not want to register for the class in which you have Waitlisted, it is good practice to drop the Waitlisted class section from your schedule. This will allow other students who are still interested in the class section to move up on the Waitlist.

5. Verify Registration

After Registration is complete, verify the class has been added to your schedule by reviewing the **Concise Student Schedule** or the **Student Detail Schedule** in BearWeb.
