Dear Instrumental Student:

We hope you are enjoying the summer and looking forward to the beginning of the fall semester! As we begin our preparations for the upcoming year, we want you to be aware of the audition procedures for the Baylor instrumental ensembles. Please read the information below carefully. Learning to audition is an important part of the educational process for every music student. In order for you to maximize this opportunity, we expect you to prepare the audition material to the very best of your ability. Please be aware that part assignments and seating for the year will largely be based on the results of these fall auditions.

Auditions will be heard by the instrumental conducting faculty and applicable studio faculty. This process makes alternative audition times extremely difficult. If it is impossible for you to audition during the scheduled audition time, please call or e-mail one of us for instructions prior to August 4th. Auditions at the end of the fall semester will be held primarily for those openings created by graduation or student teaching. However, in sections where fall auditions are extremely competitive, the conductors may require a new audition for the spring semester.

Placement in and part assignments for the following ensembles will be determined by the upcoming auditions. Please note the semester rehearsal schedule detailed below, which has been modified slightly:

Some schedule changes may be necessary following the auditions. Woodwind, brass, percussion, harp and string bass students selected for the Baylor Symphony/Wind Ensemble “pool” may register for either course but must have both times available. For those who have been in the “pool” before, we recommend that you alternate ensembles when you register each semester so that your transcript shows participation in both wind ensemble and orchestra. Please be reminded that undergraduate “pool” members are not allowed to register for both Baylor Symphony and Wind Ensemble courses in the same semester. Grading for these members will be based on fulfillment of assigned responsibilities, as mutually determined by both ensemble conductors.

The schedule of the auditions is detailed on the following page. Information regarding these auditions will be posted on the ensemble bulletin board outside of room 118 in the McCravy Music Building (MMB).

We are very excited about the coming academic year. As always, if you have any questions, or if we can be of assistance in any way, feel free to contact one of us. Enjoy the rest of the summer!

Sincerely,

Stephen Heyde

Instrumental Audition Guide

Please understand that part assignments for ALL ensembles will be based on the results of these auditions. Parts will be rotated when possible, but the most challenging parts and leadership roles will be assigned to those students exhibiting the highest level of preparedness and musicianship in these auditions. Additionally:

1. All auditions will be heard behind a screen. A monitor will escort you into the audition room and announce your assigned letter. You may then begin to play. Please do not speak at all during your time in the room. Should you have a question, exit the room and ask it of the monitor.

2. All auditions will be heard by the instrumental ensemble faculty and applicable studio teacher, as available.

3. Prepare the entire audition packet as you may be asked to play all required excerpts. Exception: those non-music major string players auditioning for Campus Orchestra need only prepare and perform the indicated material.

4. Sign-up sheets will be posted on the board outside MMB room 118 by Wednesday, August 16. At your convenience, please reserve a specific time within the designated audition period for your instrument. Additionally, pick-up the Personal Information Form (PIF) posted in this location and take the completed form to your audition.

5. Report for your audition 10 minutes prior to the scheduled time for your instrument group. A monitor will be present to assist you (give completed PIF to monitor).

6. The audition excerpts have been carefully marked. Please adhere to the musical instructions indicated. You are encouraged to listen to reference recordings (see bottom of p. 2).

7. We assume that you will play the correct notes and the correct rhythms. In addition, we are listening for quality of tone and intonation as well as intentional and expressive musicianship.

Woodwind, Brass, and Percussion music majors:

Students receiving School of Music scholarships are required to audition for ensemble assignment by the conducting faculty each semester as stated in the scholarship letter of agreement. To be in compliance with the scholarship requirements, all scholarship students must audition and may be assigned to a fall concert ensemble (Symphony Orchestra/Wind Ensemble “pool” or Symphonic Band). Participating in only the Golden Wave Marching Band or Jazz Ensembles without participating in the audition process does not fulfill the scholarship requirement. Music Education majors continue to have a two-year curricular requirement to participate in the Golden Wave.
