Monday Healthy Tip from Monday Campaigns

Stay on track when eating out. Don't let your good habits disappear when eating out. There are plenty of healthful options available in restaurants like grilled entrees (instead of fried), simple salads with dressing on the side, and extras like broth-based soups and steamed veggies. Don't be afraid to order exactly what you need to stay healthy, or take part of your food to go. Look at your schedule this Monday and see if you're eating out this week. Take some time to research the restaurant's menu online, or to look up some healthy options in that culinary tradition.
