---

**Notes:**

- Economics majors must earn a minimum grade of C in MTH 1321, ECO 2306, ECO 2307, ECO 3306, and either ECO 3305 or 3307. Students earning a C- or less in any of these courses may only retake the course once to meet the minimum grade requirement.

- Students may waive ECO 2306 and 2307 by satisfying one of the following: 1) SAT math score of 650 or its equivalent; 2) A grade of A in MTH 1321 at Baylor; 3) Permission of the department chair. If ECO 2306 and/or 2307 are skipped, then additional courses in economics must be taken in lieu of the bypassed courses.

- ECO 3308 and 3355 do not count toward the Economics major.

- MTH 1322 may be required for graduate school.

- Minor: Optional, may elect one or more minors. No more than three hours of the major may be applied to the minor.

- Electives: Number of electives and advanced electives will vary depending on major, minor, degree, etc.

- Check your degree audit often through Bearweb to ensure that you are making timely progress toward your degree.

- For more information, see the undergraduate catalog.

---

All students must graduate with a minimum of 124 hours, 36 of which must be at the 3000/4000 level.
