Message from Waco Solid Waste Services to Students Living Off Campus

It is everyone's responsibility to be a good neighbor in the community in which we live. In the neighborhoods near the Baylor campus carts are frequently left outside at curbside. This can create safety and aesthetic issues. To learn how to use your City of Waco cart or dumpster properly, see the guidelines at the at www.baylor.edu/offcampushousing/index.php?id=692. Also, do not forget, in the Baylor area, the trash collection day is Tuesday. Thank you for keeping Waco clean and green!
