

WHAT'S NEW

BROUGHT TO YOU BY BAYLOR UNIVERSITY STUDENT LIFE

January 9 - 15, 2017

Welcome back to campus, Baylor Family! We hope that your Christmas break was filled with friends, family, and the love of our Lord Jesus Christ. "What's New BU" is the 2017 update of the classic Baylor "On The Horizon" email that you've received each week. This new format will hopefully better highlight the incredible on-campus activities at Baylor.

If your organization has an event that you'd like to be shared through these weekly emails, contact information is at the bottom of this one. If you have any feedback on what might make these emails even more useful for you, feel free to email that as well. **May your Spring semester be your best yet!**

MONDAY

Movie Mondays at the Waco Hippodrome

Monday, January 9, 7 p.m. You are invited to join us for a screening of the critically acclaimed documentary ***The Eagle Huntress*** at the Waco Hippodrome.

The Eagle Huntress follows Aishol-pan, a 13-year-old girl, as she trains to become the first female in twelve generations of her Kazakh family to become an eagle hunter and rises to the pinnacle of a tradition that has been handed down from father to son for centuries. While there are many old Kazakh eagle hunters who vehemently reject the idea of any female taking part in their ancient tradition, Aisholpan's father, Nurgaiv, believes that a girl can do anything a boy can, as long as she's determined.

FREE tickets for entry are available at the Bill Daniel Student Center Ticket Office or by going to www.baylor.edu/tickets. For further information and future screenings, please check out our Movie Mondays website or email us at student_union@baylor.edu.

Monday Healthy Tip from Monday Campaigns

Improve your chances of keeping your New Year's resolutions by turning them into "Monday Resolutions." This fun, science-based video shows you how to capitalize on the natural momentum of the weekly cycle. Check it out [here](#). Here's how it works: You use each Monday as a new chance to recommit to your goals. In this way, you get 52 chances a year for success, instead of just one. Only eight percent of people are able to keep their resolutions each year. Beat the odds. Use the [Healthy Monday Reset](#) to get on track – and stay on track. New Year, Healthier You!
