Selected Databases

ABI/Inform global

Indexes 1000 worldwide business periodicals -- many full text -- covering topics such as advertising, marketing, economics, human resources, finance, taxation, computers, etc. Also provides information on 60,000+ companies.

Business Source Complete

Indexes scholarly business journals covering management, economics, finance, accounting, international business, and much more. About 80% of the journals are available with full text.

EconLit

EconLit is the American Economic Association's electronic bibliography of economic literature. EconLit is an expanded version of the Journal of Economic Literature (JEL) indexes of journals, books, and dissertations. In addition, EconLit includes citations to articles in collective volumes indexed in the annual volumes of the Index of Economic Articles, articles from over 250 journals not indexed in JEL, and the full-text of JEL book reviews. EconLit also incorporates the Abstracts of Working Papers in Economics (AWPE) database licensed from Cambridge University Press.

Economia y negocios

This continuously updated bibliographic database is an indispensable tool for research conducted in the areas of business and economics. Search functionality is enhanced through the incorporation of author keywords supplied in Spanish and English. More than 60,000 records, dating back to the early 1980s, provide coverage for over 200 Spanish and Portuguese-language periodicals published in Argentina, Brazil, Chile, Colombia, Spain, the United States and elsewhere.

Hoover's Online

Delivers information about company, industry, and market intelligence that drives business growth. The database of 12 million companies, with in-depth coverage of 40,000 of the world's top business enterprises.

IMF International Financial Statistics

A standard source of international statistics on all aspects of international and domestic finance. It reports, for most countries of the world, current data needed in the analysis of problems of international payments and of inflation and deflation, i.e., data on exchange rates, international liquidity, international banking, money and banking, interest rates, prices, production, international transactions, government accounts, and national accounts. Information is presented in country tables and in tables of area and world aggregates.

Lexis/Nexis Academic

The business component of Lexis-Nexis Academic UNiVerse includes company, country, financial, demographic, market research and industry reports. Approximately 120,000 new articles are added each day from worldwide newspapers, magazines, news wires and trade journals. Many of the resources found in Lexis/Nexis UNiVerse are available in full text.

[Mergent Online](#)

This online version of Moody's Manuals includes information on over 10,000 U.S. public companies, 11,000+ non-U.S. public companies, and 17,610 municipal entities, as well as extensive corporate and municipal bond, UIT, and dividend information.

[RGE Monitor](#)

RGE aggregates information on many global economic and geostrategic issues.

[SourceOECD](#)

SourceOECD is the publications portal of the Organisation for Economic Co-operation and Development (OECD) and consists of three sections that include Books and Reports by Theme, Periodicals, and Statistics. OECD, based in Paris, is a forum permitting governments of industrialized democracies to study and formulate policies in all economic and social spheres.

[Standard & Poor's Net Advantage](#)

Online access to 9 of Standard & Poor's most popular publications: Stock Reports, Industry Surveys, Corporation Records, Register, Stock Guide, Bond Guide, Earnings Guide, The Outlook, and Dividend Record.

[U.N. Common Database](#)

More than 450 statistical time series for countries from around the world covering a wide range of economic and socio-demographic topics. Descriptions of the international sources and definitions used in compiling the data are included.

[World Bank e-library](#)

This database is fully cross-searchable portal of over 4,000 World Bank documents. The collection consists of over 1,600 World Bank publications and over 2,400 Policy Research Working Papers, plus each new book and paper as they are published.
