

Exhortations and Admonitions for Everyday Life:
A Reflection on Hebrews 12-13

Ordinary Time after Pentecost
Year C

Leader: Author of our faith,
remind us of the words and the Word
that offer new meaning to the story of our lives.

People: Lord, write your Word upon our hearts.

Leader: Call us again to be confident in You
to persevere in You
to trust in You
even when all around us is uncertain.

People: Lord, write your Word upon our hearts.

Leader: When we lose courage
when we grow weary
when our knees buckle and our hands falter.

People: Lord, write your Word upon our hearts.

All: Write your Word upon our hearts, O Lord,
strengthening us anew with Your imagination
and grace. Amen.

“For it is well for the heart
to be strengthened by grace.”

Hebrews 13.9 (NRSV)
