

BAYLOR PANHELLENIC

THE PANHELLENIC TIMES

VOLUME 2, ISSUE 1

FEBRUARY 2008

As a senior this year and the philanthropy chair of Chi Omega in coordination with The Make-A-Wish Foundation of North Texas, I am so proud of this chapter for being able to grant a wish through our proceeds from our annual All-University Chili Cook-Off. We raised over \$6,000, which allowed us to grant a wish. I soon found out that we were going to be able to throw a send-off party for a young boy named Darrius. He has leukemia and his family has been through a lot in the past year. It was so neat to see our chapter come together for a boy and family we had never even met, yet we already knew that we loved them. Darrius's wish was to take his family to Disney World. He selflessly wanted his younger siblings to be at a place where they could have the most fun, even if he didn't like roller coasters. We decided on a Spider-Man themed party the Sunday before the Friday he left and all the girls helped decorate and fill our chapter room with Disney posters, a banner, balloons, and streamers. Darrius was led into our room by Spider-Man himself through a long row of over a hundred Chi Omegas. We presented him with donated gifts from girls in the chapter as well as from Make-A-Wish and Pizza Hut (his favorite!) The family and all of the Chi-O's had such a great time getting to talk and play with the family. Darrius's family was extremely grateful for the party, which was above and beyond anything they imagined. So, once again thank you to the Theta Kappa chapter of Chi Omega for giving your hearts and time to make the send-off party for Darrius so joyful and loving!

BEAR DOWN: ALL PAWS for a Cure!

This year Zeta Tau Alpha is partnering up with BU Meds and APO Service Fraternity to host Baylor's very first annual Relay for Life benefiting the American Cancer Society. This event is unique in the sense that it will be focused on Baylor students, faculty, alumni, and staff who have been affected by cancer. The event is going to be held in the field behind the Baylor Science Building on April 11, 2008. Relay for Life is an all night event from 7pm to 7am. During that time we will be celebrating with those who have survived cancer, remembering the lives of the ones we have lost, and then fighting back against this disease. All student organizations, academic departments, and staff departments are encouraged to form teams for this memorable event! The teams will take turns walking and/or running laps throughout the night. It is the team's goal to try and keep one person on the track at all times. A team consists of 25 people; each team must pay a one-time registration fee of \$50.00, and each participant is expected to raise \$100.00. Throughout the night there will be many different fun activities going on around the track. This year's theme is "BEAR DOWN: All PAWS for a Cure!". If you would like more information or you would like a Relay for Life representative to come and give a brief presentation about this event please visit www.baylor.edu/relayforlife or email BU_Relay@baylor.edu. We are relying on campus to come together and support this cause that affects so many people's lives daily

Want Publicity for your Chapter??????

E-mail news, information, upcoming events, requests, etc to Amanda_Mills@baylor.edu and she will include it in the next newsletter. Did your sorority hold an event? Write a story about it and have it published here! Have an upcoming philanthropy event? Let everyone know about it through this newsletter. The more material you send, the more you will be included.

KAPPA ALPHA THETA

Kappa Alpha Theta is teaming up with Charity Denim to bring fashion to Baylor and raise money for CASA. Charity Denim buys designer jeans at close-out prices to resell for \$50-\$85 with 10 percent of the company's profit going toward CASA. On March 26 from 11:00 AM to 7:00 PM, come out the the Theta chapter room and try on a pair of **Diesel, Seven for All Mankind, Citizens of Humanity, True Religion, AG, or Paper Denim** jeans. All proceeds will go towards Court Appointed Special Advocates better known as CASA . Theta has supported CASA as its national philanthropy since 1989. CASA's mission is to support and promote court-appointed volunteer advocacy for abused and neglected children so they can live in safe, permanent homes.
