Pipe Organ Encounter

June 5-11, 2011

THE SUMMER PIANO INSTITUTE AND THE PIPE ORGAN ENCOUNTER at Baylor School of Music are exciting opportunities for talented young piano and organ students. An intensive week of study and varied musical experience is offered within the college environment of the Baylor campus. Students are housed in supervised dormitories and have the use of University practice and recreational facilities.

THE SUMMER PIANO INSTITUTE is open to rising 8th-12th graders. Musical activities for the week include private lessons, master classes and lecture-demonstrations with members of the Baylor piano faculty, theory class and computer theory drill, keyboard skills classes in the Clavinova digital labs, videos of famous artists, regular practice periods, and student and faculty recitals.

THE PIPE ORGAN ENCOUNTER for students ages 13-18 is intended for both pianists and organists, providing an opportunity for pianists to learn to play pipe organ and for those with prior organ study to develop their skills. The nine pipe organs on the Baylor Campus are used for daily lessons, practice, master classes, and recitals.

THE COST for the Summer Piano Institute is \$495, including tuition, fees, dormitory, and meals. The cost for commuting students is \$335, including tuition and lunch. The cost for the Pipe Organ Encounter is \$450, including tuition, fees, dormitory, and meals. The cost for commuting students is \$300, including tuition and lunch. The reduced cost for the Pipe Organ Encounter is made possible because this is an educational outreach program of the American Guild of Organists, with major funding provided by the Associated Pipe Organ Builders of America. Additional support is provided by the American Institute of Organ Builders. Permanently endowed AGO scholarships are provided in memory of Charlene Brice Alexander, Robert S. Baker, Seth Bingham, Clarence Dickinson, Philip Hahn, Charles N. Henderson, Alfred E. Lunsford, Ruth Milliken, Ned Siebert and Martin M. Wick; and in honor of Anthony Baglivi, Philip E. Baker, and Morgan and Mary Simmons.
