## Greek Week 2008

Members of Panhellenic as well as the Greek community participated in Greek Week. The speaker, Mylai Tenner, came to give a presentation on what it means to be a positive integrated Greek system as well as being a strong chapter on campus. His presentation was inspirational and informative, challenging all councils to become better and to reach new levels of excellence. At the Greek Expo, the

women of Panhellenic performed a New Member Song as representation of what all nine sororities contribute to the Baylor community. This evening was a wonderful opportunity

for the different organizations to come together and learn more about each other.

## Kappa Easter Egg Hunt

Each year, Kappa Kappa Gamma hosts their annual Easter Egg Hunt for the faculty and staff's children. It could not have been a more perfect day as this year's hunt was held on March 19th in Founder's Mall where many gathered in anticipation of the hunt. Each member of Kappa Kappa Gamma helped by bringing at least 10 eggs filled with candy to scatter across the Mall. The command was given and children raced off into different directions to find as many eggs as possible. After the hunt, many families had their pictures taken with the Easter Bunny and enjoyed the refreshments provided.

## Theta Denim Dash

Kappa Alpha Theta raised \$2,335 at their Charity Denim Dash this March. The event was so successful it will be held again next semester. Charity Denim is a traveling fund-raising company that sells designer jeans for half-off and then donates 10 percent of its profit to the host organization. The money raised will go to Kappa Alpha Theta's national philanthropy, Court Appointed Special Advocates, which helps disadvantaged children. Theta opened its chapter room to the public and sold jeans, such as True Religion and Rock & Republic for prices ranging from \$45-\$100. The event received much publicity and was featured in both the *Lariat* and *Waco Trib*.

## Study Tips

**Tip #1:** At the beginning of the week make a list of all the things you have to do and rank them in order of importance.

**Tip #2:** When working in groups, delegate jobs efficiently. People will hesitate to delegate jobs when working in groups, but take charge if there is not a designated leader.

**Tip #3:** Use daylight hours to study. An hour of studying during the day is worth two at night! Do the work that requires the most concentration (usually reading) earliest in the day.

**Don't Miss**
