^aThe Methods Classes (MUS 1117, 1118, 1120, and 1121) are offered only in rotation by semesters. Thus, once started, the classes should be taken in sequence (One in each consecutive semester).

^bThis plan allows for a total of 39 hours in General Studies with a load of 18 hours each semester (except the student teaching semester). The General Studies requirement is 42-50 hours, depending on your prior foreign language study. If you have no foreign language study and do not transfer any credits, either through AP course work or course work taken at another approved institution, you will have an additional 11 hours of General Studies course work to complete. You are strongly encouraged to take summer term courses, either at Baylor or at another approved institution, in order to reduce the overall hours you are taking each semester. A maximum of 15 hours is transferable from another institution.
