

## Dr Pepper Floats and Drawing for FREE Ronan Tynan Items

On November 8, the Baylor University Libraries will host the Ferguson-Clark Author Series featuring Ronan Tynan, one of the fabulous Irish Tenors, and his memoir *Halfway Home: My Life 'til Now*. Tynan's story is fascinating and his success in overcoming his disability to become a Paralympics champion, a medical doctor and a renowned musician is inspiring. I hope you will join me in attending this fundraising event and hear Tynan speak and sing. Proceeds from the event will help create a technology-enhanced classroom in the Moody Computing Facility.

To encourage as much participation as possible, I am organizing a special event and drawing during our fall Library Board of Advisors meeting. You could win a pair of general admission tickets, a copy of Ronan Tynan's book, or a Ronan Tynan event T-shirt.

**What:** Dr Pepper Floats and Drawing for 5 pairs of tickets, 3 books, and 3 T-shirts

**Who:** Library and ITS employees, the Library Board of Advisors, and Dean Orr

**When:** Friday, October 19 at 3:00 p.m.

**Where:** The Gregory Garden, Moody Library

**Details:** All ITS and Library employees will have their name entered in the drawing. You need not be present to win, but I hope you will take this opportunity to enjoy a float and meet the library board members.
