

## *You're Invited*

.....

The Libraries/ITS Annual Christmas Gathering will be held on Thursday, Dec. 13 from 12:00-1:30 p.m. in the Moody Allbritton Foyer. The Libraries will provide the main course of lasagna and fettuccini alfredo, along with garlic bread and iced tea. We request everyone bring their favorite appetizer, vegetable, salad, side dish, or dessert and join us for the festivities.

For those areas/departments whose student assistants will be working, we ask you to invite them to the luncheon as our guests.

If you would to volunteer for set-up or clean-up assistance or need further information, please contact Hattie Black at x2112.

**\* Please note that December's Birthday Day will be held a week early on Dec. 4 due to the Christmas Gathering.**

### Libraries Food Drive a Success

The Baylor Libraries Food Drive was a big success this year. Our food donations were collected Friday and taken to the KWTX television station, which served as the collection point for this year's Food for Families. Teams of boy scouts and servicemen armed with grocery carts unloaded our donation and weighed it for us. Together, we collected 632 lbs. of food. This helps stock our local food pantry for the coming year and will go far in feeding families in our area.

Thank you again for your help and participation. We could not have done this without everyone in the libraries working together.
