### Attach to this Application:

- An official high school transcript
- Your detailed essay stating your reasons for applying to the CS Fellows Program. Include in this essay your educational goals, how the CS Fellows program will help you attain these goals, and where you think you will be in 10-20 years. You should also include an initial four-year plan for your CS Fellows degree program (the CS Fellows course maps will help with this).
- Three letters of recommendation from individuals familiar with your academic record and potential for success at the university level
