RE: ART DEPARTMENT Field Trip: Fall 2006

35 students and 13 faculty participated in this year's field trip to Austin . The itinerary included the University of Texas's new Blanton Museum of Art, and docent guidances at The Austin Museum of Art, Arthouse, and Flatbed Press. In spite of transportation difficulties at the beginning of the day, the excursion was a rewarding experience. Special thanks go to Terry Roller (poster) and Sondra Brady (registration).
