

Title: Valuing Diversity - You Make the Difference

Production Company: Copeland Griggs Productions

Reorder Information: 415-668-4200

Length:

Synopsis:

Today's workplace is more diverse: women, minorities, other cultures, different sexual-orientations, and people with disabilities. Teams that win are teams that play together. It is important to have respect for all people and to realize that we all don't think and act alike.

While it seems easier to work with people most like ourselves, the employee that can work with different people will be the employee that is successful now and in the future.
