

Title: Valuing Diversity - Supervising Differences

Production Company: Copeland Griggs Productions

Reorder Information: 415-668-4200

Length:

Synopsis:

Valuing differences is productivity. This video teaches the importance of getting to know the people and cultural differences in which you work and how to be sensitive to a person's background. In the workplace and in life we should realize that not everyone can be treated in the same way. People are equal but not the same.
