Production Company: Dana Mediation Institute, Inc.

Reorder Information: www.mediationworkds.com

Length: 8 Minutes

Synopsis:

This video shows a problem between two co-workers and how they work it out. First, they realize that there is a problem and then decide to set time to talk about it together. As they talk, they sort out their problems and make a deal to work them. Because they keep the lines of communication open they are able to work more productively together.
