

Energy Future Holdings

Job Title:

I & C Tech- Co-op/Internship

Requisition#:

To Be Determined

Available Positions:

3 Fall

2 Spring

Company Overview/Summary:

Energy Future Holdings Corp., formerly TXU Corp., is a Dallas-based, privately held energy company with a portfolio of competitive and regulated energy subsidiaries. TXU Energy, Luminant and Oncor, EFH's primary businesses, serve the high-growth Texas electricity market, which is one of the world's largest and among the nation's most successful competitive markets.

The Power Your Future Internship program's goal is to develop skills and provide experience for students pursuing a career in the field of engineering, sciences, business, and related technical fields. Candidates must be self-starters, flexible, quick learners, highly motivated and good team players. Accordingly, those selected will possess communication, interpersonal, organizational, leadership / initiative, and problem solving / decision making skills.

JOB DESCRIPTION:

- Assist in the performance of preventative and corrective maintenance on plant instrumentation and controls systems
- Maintain an environment conducive to nuclear and personnel safety
- Ensure adherence to regulation, policies, and procedures

JOB QUALIFICATIONS:

- Enrolled in 2-yr. degree program; at least 2 semesters completed satisfactorily
- Good technical writing skills
- Good interpersonal skills
- Strong PC skills
- Professional work ethic
- Strong desire to learn and ability to make the right decisions, to tackle larger problems, and to handle failures
- Strives to improve maintenance and modification processes
- Ability to adapt and excel in a strict compliance-based environment
- Ability to become a radiation worker (nuclear plant location only)

Benefits Include:

- Competitive compensation based on education level
- Paid holidays
- Paid temporary housing and/or relocation bonus for applicable students
- 401K with company match
- Returning bonuses

- Scholarships (must meet certain criteria to qualify and continuance is solely the discretion of the company)

LOCATION:

Throughout North Texas.

All interested candidates must apply online at:
www.energyfutureholdings.com to requisition number: (Req# to be determined) to be considered for this opportunity.

We are an equal opportunity/affirmative action employer.
