

**Job Title:**

Risk Analyst Undergraduate Intern (Req#827261622)

**Openings:**

2 (Summer) Paid Internships

**Company Overview/Summary:**

Energy Future Holdings Corp., formerly TXU Corp., is a Dallas-based, privately held energy company with a portfolio of competitive and regulated energy subsidiaries. TXU Energy, Luminant and Oncor, EFH's primary businesses, serve the high-growth Texas electricity market, which is one of the world's largest and among the nation's most successful competitive markets.

The Power Your Future Internship program's goal is to develop skills and provide experience for students pursuing a career in the field of engineering, sciences, business, and related technical fields. Candidates must be self-starters, flexible, quick learners, highly motivated and good team players. Accordingly, those selected will possess communication, interpersonal, organizational, leadership / initiative, and problem solving / decision making skills.

**Key Roles & Responsibilities:**

Assists with conducting analyses and provide support on projects related to Luminant position and/or Profit & Loss reporting for power trading, gas trading, asset management, retail energy supply, or other commodity trading.

Assists with reviewing existing reporting outputs to validate current deliverables prior to publication.

Assists with reconciling reporting items to close out end-of-month reporting activities.

**Minimum Qualifications:**

- Currently pursuing a Bachelor of Science in engineering, statistics, computer science, business or related field.
- Proficient in Microsoft Office (Excel, Word, Powerpoint), Access desired
- Knowledge of SQL, VB & VBA, SAS, functional and/or object-oriented programming, preferred.
- Excellent verbal, written and presentation skills.
- Excellent analytical and problem solving skills, with emphasis on attention to detail
- Prior internship in commodity markets, asset management, risk management, and/or risk reporting.
- Eligible to work in the US without sponsorship.

**Benefits:**

- Competitive compensation based on education level.
- Paid holidays.
- Paid temporary housing and/or relocation bonus for applicable students.
- 401K with company match.
- Returning bonuses.
- Scholarships (must meet certain criteria to qualify and continuance is solely the discretion of the company)

**Location:**

Dallas, Texas
