Recyclemania 2009 Rolls On!

We are in the sixth week of the ten-week Recyclemania competition, and we are still going strong. Baylor is in third place in the Big 12 with 1.13 pounds of recycling per capita and a total weight of 77,580 pounds. Our goal is to win the Big 12 in the per capita competition, finishing stronger than we did last year. Everything you recycle between now and Saturday, March 28, helps Baylor University compete with over 400 other colleges and universities nationwide. We are striving to recycle over 16 pounds per person during the 10-week competition. You may track our progress online at www.baylor.edu/sustainability. For additional information about Recyclemania 2009, visit www.recyclemania.org.
