BAYLOR

U N I V E R S I T Y

Dear UIL Sponsors and Participants:

Greetings and welcome to Baylor University and our home, Waco. What a privilege it is to host the twenty-second annual UIL Region II, AAAAA Spring Meet. We are grateful for the opportunity. It is our goal to provide the best possible setting and personnel for the students to excel in their competitions.

Please use this online handbook as a guide for the UIL competitions. This resource is created to provide information concerning all aspects of the spring competition. Should you have any questions please contact your district representative listed at the top of page 3; if he/she cannot help you, please feel free to contact the Baylor UIL Headquarters office at (254)710-4101.

There are many individuals who will be instrumental in the operations of your competitions. I want to take this moment to introduce a few of our core group, that without I would be amiss! Professor John Knue is again serving as our Regional Academic Director for the fifth year in a row. In this role, among many other things, he is responsible for assembling the Baylor faculty members who serve as directors for the academic competition. I appreciate his organization and sense of enthusiasm that he brings to the team; I literally could not do it without him! Associate Athletic Director, Tom Hill, will again direct the experienced staff of professionals who have been assembled for the athletic competitions and will directly oversee and provide quality support for the Track and Field competitions.

While you are on campus, if you are interested in a campus visit or would like information about Baylor University, please contact me or our Campus Visits office at 1-800-BAYLOR U, ext. 12. Best of luck during your competition and again, welcome to Baylor University! I hope your visit is exciting and memorable. If you have questions or comments, please email me at Susie_Johnston@baylor.edu, or contact the Assistant Regional Director, Jane Gunn at (254) 710-7808.

Cordially,

UIL Regional Director

Each One-Act Play that competes at the regional meet will be assessed a \$250 entry fee. Each member of the One-Act Play cast and staff will not be required to pay the general entry fee in addition to the One-Act Play entry fee.

Schools with plays advancing from area to regional will be certified online and will not be required to mail their eligibility notices to regionals. However, **online certification of advancing plays must be completed by mid-night on Monday, April 16.**

ELIGIBILITY AND CERTIFICATION

ENTRIES: All academic entries, including One-Act Play are certified and entered into the Regional Meet through the UIL Spring Meet Online System. The District Meet Results form serves only as the official entry form for all athletic entries. Each District Director General is responsible for sending the athletic form to the regional site immediately following the district meet. **FAX to 254-710-4640.**

ELIGIBILITY: The eligibility of a student competing at the regional meet is the responsibility of the individual school.

ACADEMIC CONFLICTS: If a student who has followed the State Conflict Pattern (page 11) earns eligibility to compete at the regional level in more than one event and finds that he has a full or partial conflict in the two events, he must notify the regional director about the conflict five days prior to the meet. When possible, an adjustment will be considered.

LATENESS: A student will not be allowed to enter a contest room late without prior permission from the contest director. No exceptions are made in Calculator Applications and Number Sense. If a contestant needs to leave early to go to another event, these arrangements (where permitted in the contest plan) **MUST** be made with the contest director prior to the beginning of the contest.

WITHDRAWALS/ALTERNATES: If a regional contestant cannot attend the Regional Spring Meet, the contestant's principal or sponsor must notify the District Director of their district and request that he/she contact the alternate and the Regional Director.

If a member of a school's **team** is unable to compete, only **one** substitution may be made. The substitute must give the contest director a letter or substitution form signed by a campus administrator to certify eligibility, unless his/her name already appears on the regional entry form. **If more than one member of a team is unable to compete, the alternate team will then advance to competition.**

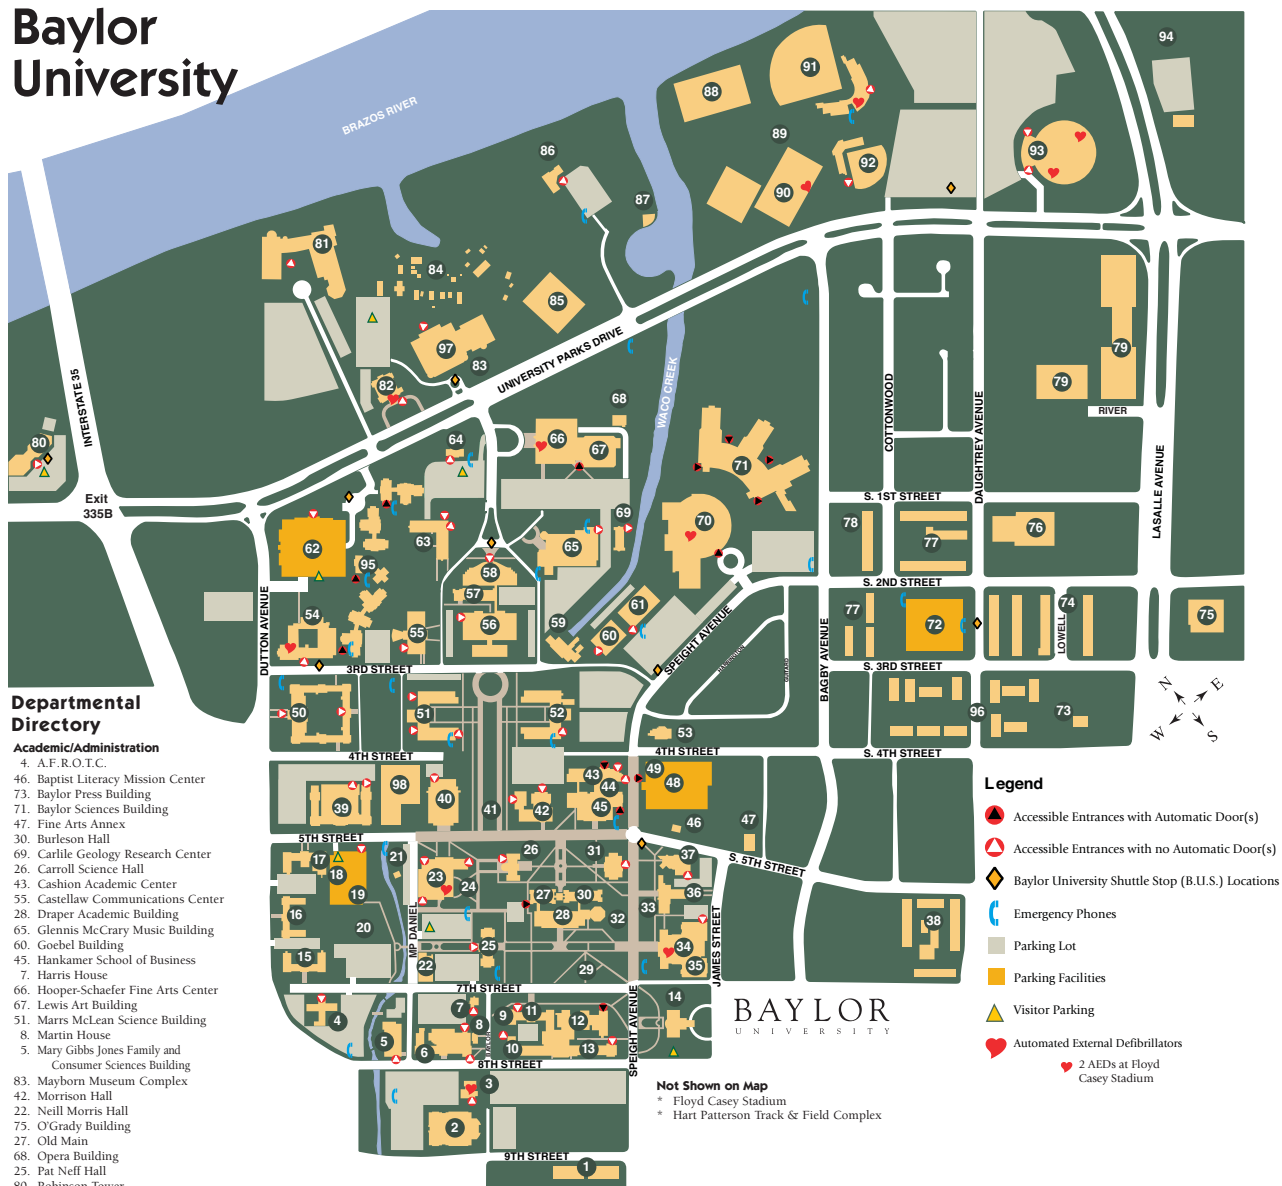

Lincoln-Douglas Debate

If a school has a regional qualifier that cannot participate in the meet, the school is obligated to call the Regional Academic Director at (254) 710-6219. See the 2010-2011 UIL Constitution & Contest Rules, p. 106-107, Section 1002, (b) (3), (4), & (5) and the Official Notices of the "Leaguer."

Coaches and contestants must go to the UIL website for the tentative schedule, UT parking, UT campus map and other vital State Meet information. **Responsibility for knowing times, dates, and sites of State Meet events rests solely with coaches and contestants.**

1. **ORDER OF REHEARSALS AND PERFORMANCES:** The rehearsal schedule and performance order was determined through a random drawing by the Contest Director and Regional Director.

Your company will be responsible for loading in, setting up scenery and properties, striking scenery and properties and loading out. The Department of Theatre Arts will provide crews to operate the light and sound boards but competing schools should provide an advisor for each technical activity and a written list of light and sound cues. It is highly recommended that a designated leader or stage manager should also be provided by the competing schools.
3. **LOADING AND UNLOADING:** Plan to unload 1/2 hour before scheduled rehearsal times. You will be met by a Theatre Arts assistant. The loading door is located at the rear of the Fine Arts Center by the loading dock. Your company must load as soon as your performance is over. Trucks must be moved as soon as loading or unloading is complete.

A lighting technician will be available to run the board assisted by your operator. The light board is located in the booth at the back of the auditorium, not backstage.
